### Tympanette Micro Canal Hearing Instrument Now Available

Our office is happy to announce that we are currently fitting a completely in-the-canal hearing instrument. This remarkable new hearing instrument is not only more discreet and comfortable to wear, but may also provide important hearing benefits because of its deep placement in the ear. The Tympanette is the smallest hearing instrument ever manufactured by Starkey Laboratories, the world's leading manufacturer of custom hearing instruments. Inquire about insurance plans.
