**Bethany Village:** The difference between retirement life and retirement living

Bethany Village is where retirement living moves to the beat of your own drummer. It's where you can stretch your legs on early-morning walks around the lake or attend a photography class. Where you can pursue your passions because you're free from daily concerns. Where you're still a vibrant member of the community... taking part in all that you've grown accustomed to and still dancing to your tune.

At Bethany, retirement living is living fully. And with our range of residential choices, you can be confident that your new home will meet your needs through the years.
