

Distinctive HOMIES

Louis Lott's storybook Tudor

By Lance Winkler

When George Schantz began his Schantz Park development a hundred years ago, he assigned architect Louis Lott the responsibility of designing the various styles and gradations of homes that would make up the plat. On the namesake Schantz Avenue, Mr. Schantz chose for himself, his family members and his cronies the best property layouts, with plenty of space between the various and at that time sparse home that were built there for the first 30 years.

Lott spared no expense and architectural expression in designing and building these homes. One home in particular, located at 451
