**Friday June 19th & Saturday June 20**

Dear Ladies,

Mother's Day has passed and it's time to show the gentleman in your life the same kindness you enjoyed. Father's Day at L'Auberge will be an event to remember.

We are pulling out all the stops to allow the full elegance and originality of L'Auberge to spoil all of our favorite fathers. The "Big Kahuna" in your life deserves something equally as big. Trust us—it won't only be big, it will be HUGE, AMAZING, and SPECTACULAR!

What do we have in mind?...Some of the finest wines which enhance and perfect the aging process, paired with a menu from Chef Romy Jung featuring: Fresh Shrimp, English Turbo w/ Caviar, Beef Tenderloin with Truffle Sauce, Duo of Dessert and a special treat from Josef and Brian (1973 Grand Armanac)

Show your special man your love with a style and elegance only L'Auberge can provide. Join us for a night of gastronomic pleasure to thrill even the most fickle fathers.

Surprise him and reserve a table with Josef or Brian personally.

**Specially Priced for our Friends: \$75.00**

For reservations, please call 299-5536

## 3 OHS students attending Buckeye Girls State

Three seniors-to-be from Oakwood High School, Christina Borchers, Lucille Shafer and Erin Maher (pictured left to right), will be among the 900 girls participating in the 63rd annual session of Buckeye Girls State at Ashland University. The session began Sunday, June 14 and concludes on Saturday, June 20. The main objective of the Girls State program is to train young women, who have completed their junior year in high school in the duties, rights and privileges of citizenship by providing the attendee the opportunity to actively participate in a democratic form of government. Kettering Unit 598 of the American Legion is sponsoring the girls. Assisting at Buckeye Girl's State will be Auxiliary Unit 598 President Carol Kelly, who will be Residence Hall Counselor. As the girls arrive at Girls State they are assigned to one of two political parties. The residence hall in which they live during the program is their designated county and the floor on which they live is their city. The students will file petitions for candidacy for a variety of offices from governor to city council and participate in the election process. After elections and inaugurations, they will put government in action.
