Dale H. Whitford, an Aeronautical Engineer retired from University of Dayton Research Institute, chronicles the Wright Brother's step-by-step approach as they pursued their dream of conquering the skies.

This 96-page 8 1/2" x 11" soft cover volume carries the complete text of the columns Dale Whitford wrote for the centennial of flight for The Oakwood Register.

Illustrated with original art, archival photographs and documents from the Wright Brothers collection, and photographs from around the world.

A gift card will be delivered to a specified address for each book purchased for holiday gift giving.

Available by direct shipment January 2004.

Announcing a special limited edition:

- Signed by the author
- Case bound with color dust jacket
- Additional 16 pages of color photographs and commentary from the historic first flight re-creation on December 17, 2003 at Kitty Hawk
