

7 named National Merit Commended Scholars

Principal Paul Waller of Oakwood High School announced today that Caroline Clarke, Channon Conner, Dillon Corrigan, Tyler Dillon, Sarah Oda, Ben Roess, and Colin Ward have been named Commended Students in the 2010 National Merit Scholarship Program.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2010 competition for National Merit Scholarships, Commended Students placed among the top five percent of more than 1.5 million stu-

dents who entered the 2010 competition by taking the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) during their junior year.

"We are so proud of our students," said Mr. Waller, "They have demonstrated excellence in a highly competitive program. Our com-

mended students represent some of the most talented students in the country. We look forward to continued excellence for these commended students, as well as all of our Oakwood students. We sincerely hope this will increase their educational opportunities as well as encourage others."

The Kettering Medical Center's Women's Wellness Fund, established in 1995, provides much needed mammography, diagnostic services and prosthetic apparel to undeserved and under-insured women in our community.

Shana Blake Hill stars as Violetta, the beautiful call girl (think Julia Roberts in *Pretty Woman*) who gives up the only man she ever loved.
